

ARRL Field Day

SOUTHERN PA AMATEUR
RADIO CLUB

**Field Day begins 12:00
Noon Saturday June 26**

Ends 12:00 Noon Sunday

- Good clean fun
- Meet your neighbors
- Hear some interesting stories
- Please note: The SPARC site is an alcohol free facility

Field day is a contest sponsored by the American Radio Relay League to test amateur radio's readiness to respond to the emergency situations. Operators attempt to make as many contacts as possible under less than ideal conditions with little advance set up time.

We will be operating from the SPARC property at 1715 Breneman Road, in Rapho Township (look for the BIG UGLY TOWER)

Ever wonder what goes on the old microwave site? Well now is your chance to see what it is all about. Tour our facilities, ask some "HAMS" why we do what we do, make a real radio contact under the supervision of a licensed Amateur Radio Operator.

SPARC is a special services club member of the American Radio Relay League dedicated to serving the local community. In addition to supplying communications for local civic groups we participate in the Adopt-A-Highway program and recycling programs.
